ETS ibt TOEFL Certification.

Spanish

Speaking and writing, excellent.

Finnish

Speaking and writing, very good.

ABOUT ME

I am fascinated by culture: art, literature, food, music. Maps and books catch particularly my attention. I love nature, I stay close to it every time I can. I climb trees, look at the stars and walk beside the sea. I play basketball since I was a child. I love travelling and I hope to do it for all my life. I like to know and to learn, especially from people and places.
